

Dear friend,

My name is Elyas. I am Palestenian. I go to Amir Al-Mansi school in Gaza. I am in the third grade of primary school. My favorite holiday is Eid al Fitr. My favorite part of Eid is being surrounded with my family and friends and getting to play. The sport I enjoy the most is bowling. My favorite subject at school is English. If I could have a super power, it would be flight. When I grow up, I want to be a scientist.

All the best

Elyas
