Dear students,

I'm Shahed and I am 11 years old. I'm in grad 7 at Haifa school, and my favorite subject is Arabic because my teacher is so sweet. I also like to ride a tricycle and to swim. I like the idea of being a journalist when I'm older.

Something I really love about Palestinian culture is the embroidered dresses that the girls wear often. There are many famous and delicious food like: Maskhan, Mansaf, Maklooba, Mjadara and Shishbarak. The best one is Mansaf. I'm excited to know about you too!

Best wishes
Shahed Salah
