

To whom it may concern,

Hello! My name is Waseel. I am a 13-year-old Palestinian. I am writing this letter to tell you about myself and my daily life.

I am a student in the 7<sup>th</sup> grade. I go to school by walking, it is only 5 minutes away. My favorite subjects are English and Math. I live in a city called Halhul. The weather is nice, it is not hot or cold. It is famous for harvesting grapes. I enjoy eating Mansaf, it is a famous Jordanian dish. It has rice, meat, and a traditional yogurt called Jameed. I would like to visit Turkey someday, because it has an interesting history, beautiful nature, and nice weather. My favorite sport is football. I play football in the football field every day with my brother and my friends. I want to become a football player in the future, because I like football and I want to become famous. I would like to play for Manchester United.

Regards,

Waseel
