

Dear friend

My name is Yusuf. I am 9 years old. I'm Palestinian. I go to Amir Al-Mansi school in Gaza. I am in the third grade of primary school. My favorite food is pepperoni pizza. My favorite holiday is Eid al Adha. My favorite part of Eid is celebrating with family and getting to play. The sport I enjoy the most is football. My favorite subject at school is science. If I could be a superhero, I'd be superman. When I grow up, I want to be a doctor.

Best, Yusuf
